Travel health insurance for the purpose of long term visa/long term residence permit application submitted at the Czech Embassy

Applicants for Czech long-term visa have to adhere to specific criteria concerning the travel health insurance which is one of visa requirements (see http://www.mzv.cz/jnp/en/information_for_aliens/general_visa_information/travel_medical_insurance.html). Travel medical insurance must cover the cost of emergency medical care, including medical evacuation or, in the event of death, repatriation of remains to the country that has issued the applicant's travel document or to the applicant's country of residence. The insurance policy must not exclude coverage for injuries and damage caused by the applicant's intentional acts, injuries and damage caused by fault or contributory fault on the part of the applicant, and injuries and damage caused by the consumption of alcohol, narcotic and psychotropic substances by the applicant. The minimum coverage is EUR 60 000 per one insured event without any coinsurance or copayment. Travel medical insurance may be purchased from:

A) An insurance company licensed to sell such insurance in the Czech Republic (see below)

B) An insurance company licensed to sell such insurance in any other Member State of the European Union, ect. (It is necessary to get all documents translated in Czech – see details below).

C) An insurance company licensed to sell such insurance in the country that has issued the applicant's travel document or in the applicant's country of residence. (It is necessary to get all documents translated in Czech – see details below).

Translations into Czech: The proof of travel medical insurance must be accompanied by a certified Czech translation of the insurance policy and general insurance terms and conditions, proving the existence of travel medical insurance, the scope of coverage, the amount of coverage (at least EUR 60 000), and proving that there is no coinsurance or copayment. The applicant may be requested to present proof of insurance covering the entire period of stay in the Czech Republic.

Before you apply for the travel medical insurance with the insurance company please get in touch with the Czech Embassy or Czech Consulate General in your country to find out more about the visa application policy and their medical insurance requirements for visa issuing.

⇨ Note: There are several Czech Republic based Czech insurance companies offering travel health medical insurance mentioned above (Check out the insurance plan features before the purchase).
