

STUDY ABROAD

ASIA

From the mountains of North India to Indonesia's thousands of islands, ISEP Direct programs span 10 countries in Asia. Enjoy the beautiful natural scenery and striking innovation of Japan or the blend of modern pop culture with ancient history in South Korea. Practice your Chinese language skills in China, Hong Kong or Taiwan, or indulge in the famous flavors of Thailand or Vietnam. Whatever your destination, ISEP Direct offers comprehensive, immersive programs to achieve your academic goals and live like a local.

CONNECT WITH ISEP

JAPAN & SOUTH KOREA | ISEP DIRECT PROGRAMS

JAPAN | Kansai Gaidai University

Immerse yourself in Japanese language, culture and food on the Asian Studies Program as you live like a local in the heart of Japan, close to the cities of Osaka and Kyoto. The program offers rigorous Japanese language study for students of all levels, fun and unique courses and a number of on-campus clubs and opportunities to engage with Japanese students.

JAPAN | Tokyo International University

Study in English or Japanese with Tokyo's unlimited shopping, entertainment, culture and dining offerings at your doorstep. Immerse yourself in Japanese culture, language and lifestyle on the Japan Studies Program or study liberal arts, business economics, international relations, IT, entrepreneurship and more in English on the E-Track Program.

JAPAN | Toyo University

Experience the fast-paced urban lifestyle and old traditions of Tokyo while learning Japanese or studying in English in the city center. Commit yourself to Japanese language study or choose from varied course options in economics, business, law, sociology, global studies, tourism and more on the immersive Nihongo for Exchange Students (NEST) Program.

SOUTH KOREA | Ewha Womans University

The first accredited university in modern Korea and one of the country's most prestigious institutions, Ewha is open to both male and female international students and offers courses in Korean and English in the exciting capital city of Seoul. Take advantage of the buddy program, participate in cultural parties, view Korean arts and performances and enjoy easy access to explore South Korea.
