## FEATURED ISEP DIRECT PROGRAMS

### BELGIUM | Vesalius College ●

Immerse yourself in Brussels, the multicultural and multilingual “Capital of Europe.” When you’re not studying or interning, discover why Belgium is famous for its chocolate and waffles. Vesalius is an especially great fit for students studying business, communications, and international affairs.

### CZECH REPUBLIC | Masaryk University ●

Study in English in Brno, a lively university city at the heart of Central Europe. The CzechMates program offers a unique opportunity to achieve your personal growth and professional development goals in a global context. Also available are the interdisciplinary Central European Studies Program and the TESOL Program.

### ESTONIA | University of Tartu

Encounter unique Estonian culture and a mix of international influences in the youthful university city of Tartu, brimming with opportunities for outdoor activities, folk music, art festivals, and more. Select from a range of courses taught in English to best suit your academic needs as you experience the Baltics like a local.

### FRANCE | Université Savoie Mont Blanc ●

Enjoy Chambéry, a gateway city to the French Alps, with its museums, colorful streets, and world-famous opportunities for skiing and other recreation in the beautiful mountains. Immersive and comprehensive, the French Language & Culture Program is great for students of any level.

### GERMANY | Philipps-Universität Marburg ●

Explore Marburg’s quaint medieval city center while improving your German and taking courses in English on the International Undergraduate Study Program. For full immersion and commitment to language and culture, look no further than the Intensive German Studies Program at one of the country’s oldest universities.

### MALTA | University of Malta

Uncover the past in this Mediterranean paradise and enjoy the sunshine while studying at a 16th century university surrounded by ancient landmarks. The University of Malta offers a diverse range of subjects, including business, archaeology, classics, foreign languages, social sciences, and arts, all taught in English.
