

STUDY ABROAD

SOCIAL SCIENCES

Studying the social sciences abroad will not only broaden your perspective, but improve and deepen your understanding of the humanities. Immersing yourself in the society of another country and strengthening your intercultural communication skills will give you a professional advantage and the personal experience of a lifetime. With ISEP, you can study abroad at one of over 100 leading universities around the world with top programs for the social sciences including anthropology, archaeology, geography, history, geography, philosophy, psychology, and sociology.

FEATURED ISEP DIRECT PROGRAMS

ENGLAND, UNITED KINGDOM | University of Bradford

One of the U.K.'s leading universities, Bradford is located in the heart of the country and is especially strong for archaeological sciences, plus it has the world's largest center for the study of peace and conflict. Get involved on the diverse campus, immerse yourself in English culture and explore nearby picturesque villages and countryside.

CZECH REPUBLIC | Masaryk University

Explore Brno, a vibrant university city at the heart of Central Europe. The Central European Studies Program offers courses unique to the region's anthropology, history, media, sociology, and more, and the CzechMates program offers globally-focused curriculum as well as an included internship and language course.

GREECE | American University of Thessaloniki

Thessaloniki is a thriving port city at the crossroads of East and West, where nature, ancient history and Greek culture meet an international community. ACT offers a variety of social sciences courses including a comprehensive contemporary psychology program and unique Hellenic Heritage studies, all on a state-of-the-art campus.

MALTA | University of Malta

Uncover the past in the Mediterranean paradise of Malta, an archaeologist's dream. Enjoy the island's sunshine and unique blend of European cultures while studying liberal arts, social sciences, and humanities in English at a 16th century university among ancient landmarks and stunning beaches.
