OPPORTUNITIES FOR STUDENTS IN HEALTH SCIENCES

ISEP.ORG

INTERNATIONAL CENTER FOR DEVELOPMENT STUDIES (ICDS) SAN JOSE, COSTA RICA

The International Center for Development Studies (ICDS) provides quality academic programs with a focus on sustainability, social justice, and health that allow students to acquire or hone their Spanish language skills. The Health Care in Latin America program offers students preparing for the health professions an opportunity to learn Spanish for the Health Professions and complete hospital rotations or community service in the engaging and easy-going Costa Rican capital of San Jose.

- Students with advanced Spanish complete hospital rotations in Hospital Clínica Bíblica, one of the top hospitals in Latin America.
- All students take coursework on Costa Rica's universal healthcare system, which is ranked #1 in Latin America.

Spring 2021 12-week program at ICDS	
Tuition, Housing, Meals, Excursions, Insurance, & Fees	\$12,600
Estimated additional	\$1,900

UNIVERSITY OF ROEHAMPTON LONDON, ENGLAND, U.K.

Set in a park-like campus centrally located in London, the University of Roehampton offers the perfect mix of traditional campus culture in one of the most cosmopolitan and diverse cities in the world. The popular London Studies program offers classes in London literature, theatre, art, and media, and students also can access extensive liberal arts and humanities coursework.

- With excellent amenities and on-campus housing, students enjoy studying a variety of subjects, including biological sciences, biological anthropology, psychology, exercise science, and nutrition.
