TOP ENGINEERING PROGRAMS TAUGHT IN ENGLISH

ISEPORG

UNIVERSITY OF STRATHCLYDE GLASGOW, SCOTLAND

Glasgow has something for everyone: breath-taking natural beauty, the largest free gallery collection in Europe, and over 130 music events a week, from Celtic to rock. Situated in the center of downtown, University of Strathclyde was recognized as the top U.K. University of 2019 and offers a top-tier education (triple-crown accredited for Business). Strathclyde's engineering program attracts students from around the world with the largest engineering faculty in Scotland and its Chartered Engineer certification program.

- Strathclyde offers a wide variety of courses on civil and environmental engineering: engineering design, renewable energy technologies, and professional development in the engineering field.
- Students receive hands-on learning and are assigned outside clients during Vertically Integrated Projects.

Spring 2021 Semester at Strathclyde

Tuition, Housing, Insurance, & Fees	\$16,350
Estimated airfare, visa, passport, personal expenses, and meals	\$3,850

UNIVERSITY OF TECHNOLOGY SYDNEY SYDNEY, AUSTRALIA

University of Technology Sydney (UTS) is in the coastal metropolis of Sydney, Australia, a quick bike ride away from iconic treasures like the Sydney Opera House and Bondi Beach. UTS is one of the top universities in Australia and rated the third best engineering school in the country. Students will have rich experiences with state-of-the-art facilities and university-led excursions. Australia is ranked one of the happiest countries and at UTS students will be encouraged to live life to the fullest.

- Engineering students can take mechanical engineering courses including: Intro to Mechanical Engineering, Thermodynamics and Fluid Mechanics.
- Service-learning and internship opportunities are also available.

Spring 2021 Semester at UTS

Tuition, Housing, Insurance, & Fees	\$18,600
Estimated airfare, visa, passport, personal expenses, and meals	\$5,940

AMERICAN UNIVERSITY OF SHARJAH SHARJAH, UNITED ARAB EMIRATES

Sharjah is referred to as the cultural capital of the Arab world. It is a city rich in history and tradition with a flair for fun—lively cafes and waterparks allow locals to have fun and stay cool. American University of Sharjah's campus reflects Islamic architectural traditions and the campus's lush grounds are an oasis for bird life. AUS is one of the most highly respected universities in the Middle East and the College of Engineering is top-ranked and ABET accredited.

- Classes are taught in English by faculty who are seasoned industry professionals in state-of-the-art facilities.
- Recommended for Chemical Engineering, Civil Engineering, Computer Science and Engineering, Electrical Engineering, Civil Engineering and multi-disciplinary courses.

Spring 2021 Semester at Sharjah

Tuition, Housing, Insurance, & Fees	\$18,350
Estimated airfare, visa, passport, personal expenses, and meals	\$5,737
