ISEP USA DIRECT VIRTUAL

Continue your educational journey at a leading and innovative Southern California public university located in coastal North County San Diego. Study and make memories with American and international classmates with Study @ CSU San Marcos. This is a program for visiting/fee-paying/free-mover international students who want to enroll in virtual university classes for credit for one or two semesters at California State University San Marcos through out online program offerings. There are several bachelor's and select master's courses offered through Study @ CSUSM that can be transferred to your home institution. Students who prefer to take English language classes may substitute these instead of University courses.

PROGRAM FEATURES

- Earn university course credits that transfer to your home university
- Study and interact with American students at a top-ranked public U.S. Regional University
- Choose to join one of more than 100 recognized student organizations
- Be part of a modern, innovative university with the latest computer technology, high tech labs, athletic facilities, and state-of-the-art library facilities

STUDY @ CSUSM ACTIVITIES

- Week-long Orientation
- Global Education Welcome Party
- Conversation Partners Program with American students
- Leadership and Volunteer Opportunities
- International coffee hours

CAMPUS-WIDE EVENTS

- Annual International Fair
- International Education Week
- Guest Lectures/Workshops
- Film Screenings
- Special Cultural Performances

VIRTUAL CLUBS AND ORGANIZATIONS

- Academic Clubs
- Cultural Clubs
