

STUDY ABROAD

FULL-TIME INTERNSHIPS ABROAD

Invest in an experience living and working in a global city to gain invaluable cross-cultural skills and support your career goals. ISEP partners with The Intern Group, a leader in providing customized internship opportunities around the world. In addition to **options in a variety of global cities**, we also offer full-time and part-time virtual internships so you can gain **remote international work experience** from anywhere. Looking for a different destination or want to experience a new city that does not offer an internship in your field of study? Check out our **Digital Nomad** and **Independent Traveler** programs to explore other opportunities that can meet your needs. Benefits of our internship programs include:

- Exclusive savings for ISEP students
- Guaranteed internship placement
- Positions in all fields at a large variety of organizations
- Options for 4-12 weeks: full semester or summer
- Housing and on-site support included
- Internships in English
- Opportunities for cultural and language immersion
- Earn academic credit
- Personalized professional development
- Training, workshops, webinars, seminars, and much more
