

STUDY ABROAD

ISEP DIRECT PROGRAMS IN THE UNITED STATES

Studying abroad in the U.S. allows you endless opportunities for immersion and exploration in one of our intern or study programs. While you experience the varied culture, landscapes and people of the United States, you can perfect your English skills, strengthen your resume, and get exposed to a range of academics.

STUDY IN THE U.S.

STUDY IN SOUTHERN CALIFORNIA*

California State University, San Marcos

Beautiful beaches, mountains, desert, downtown nightlife, world-class shopping and more are all within a short trip from this campus just outside of San Diego.

**GRADUATE BUSINESS PROGRAM ALSO AVAILABLE*

STUDY IN SILICON VALLEY

San Jose State University

Located in Silicon Valley, California, SJSU is known as a global center for science, technology, and entrepreneurship. With over 400 student organizations on SJSU's campus and the coastline and bay nearby, students will have lots to keep them active!

INTERN IN THE U.S. FEATURED PROGRAMS

Nothing is more valuable than hands-on experience and critical skills developed in the international workplace. ISEP partners with The Intern Group to offer professional internships in most fields in cities around the world. Options include **Bangkok, Dublin, Hong Kong, London, Madrid, Medellin, Melbourne, Tokyo and our featured U.S. programs below:**

NEW YORK CITY

People from all over the world come to NYC to realize their potential in fields like finance, marketing, public relations, journalism, and non-profits.

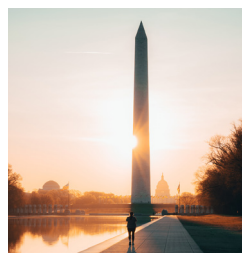

CHICAGO

In the Independent Traveler internship program in Chicago, participants will have the chance to gain invaluable work experience in one of the most important cities in the US.

BOSTON

In the Independent Traveler program in Boston, interns can boost their resumes in fields like Business, Entrepreneurship, Finance, IT, and Marketing.

WASHINGTON, D.C.

There's no better place to accelerate your dream career than Washington, DC. The Independent Traveler internship program puts you right in the heart of the hustle of the nation's capital.
