# STUDY IN THE U.S. AND AROUND THE WORLD

ISEP programs are unique and transformational. When studying at one of our 300+ member universities, you will immerse yourself in a local culture, make new friends, and engage with the campus and community. With programs in more than 50 countries, you are sure to find an unforgettable experience that meets your academic and personal needs.

Participating in an ISEP program helps build a transformative self-confidence that can only come from an authentic and immersive study abroad experience. From an increased openness and respect for different cultures to greater problem-solving and communications skills, the ISEP experience will help you develop skills that will impact your future both professionally and personally.

## YOU'VE GOT OPTIONS

ISEP offers unmatched access to semester-long, full-year, and summer study abroad programs, as well as volunteer opportunities and internship experiences. There are two ways to study abroad with ISEP:

### ISEP EXCHANGE

With ISEP Exchange, you pay your home university tuition, housing, and meal costs and rank up to 10 programs within ISEP's community that meet your academic needs. We then place you at the best option depending on space availability.

### ISEP DIRECT

Have you always imagined spending a semester or year in London, Seoul, or California? With ISEP Direct, you are guaranteed a placement at your selected destination as long as you meet the minimum eligibility requirements.

## WE'RE HERE FOR YOU

Your health, safety, and well-being are our top priorities. We continually monitor events around the globe and are here to support you before, during, and even after your program. All ISEP students receive:

- Personal program selection and application support
- Assistance finding and selecting courses at your host institution
- Financial aid and scholarship resources
- Pre-departure orientations and visa assistance
- On-site university support, comprehensive health insurance, and 24/7 emergency services
- Access to an alumni network of 2,000+ members, providing connections, job coaching, graduate school application advice, and even job placement
